PTZ Domes

**SecuMaster Indoor 6"
Surface Mount 12VDC Speed Dome**

- * Sony SuperHAD CCD
- * 270x (27x Optical, 10x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * AutoScan and AutoTour
- * Upgradeable Firmware Chips
- * Optional, 24 VAC to 12VDC voltage converter

#SD-627W-12V MSRP \$1,573
#SD-627W-24V MSRP \$1,623

**SecuMaster "Professional" Indoor
6" Recessed Mount 12VDC Speed
Dome**

- * Sony SuperHAD CCD
- * 270x (27x Optical, 10x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * AutoScan and AutoTour
- * Upgradeable Firmware Chips
- * Optional, 24 VAC to 12VDC voltage converter

#SD-627B-12V MSRP \$1,573
#SD-627B-24V MSRP \$1,623

**SecuMaster "Professional" Outdoor
7"
Wall Mount Speed Dome**

- * Sony SuperHAD CCD
- * 270x (27x Optical, 10x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * Auto-Scan and Auto-Tour
- * Upgradeable Firmware Chips
- * Optional, 24 VAC to 12VDC voltage converter

#SD-727W-12V MSRP \$1,684
#SD-727W-24V MSRP \$1,744

**SecuMaster "Casino", 6"
Recessed Mount 12VDC Speed
Dome**

- * Sony FCB-EX480 Zoom Module
- * 216x (18x Optical, 12x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * AutoScan and AutoTour
- * Upgradeable Firmware Chips
- * Optional, 24 VAC to 12VDC voltage converter

#SD-648B-12V MSRP \$1,865
#SD-648B-24V MSRP \$1,925

**SecuMaster "Casino" Outdoor 7"
Wall Mount 12VDC Speed Dome**

- * Sony FCB-EX480 Zoom Module
- * 216x (18x Optical, 12x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * AutoScan and AutoTour
- * Upgradeable Firmware Chips
- * Optional, 24 VAC to 12VDC voltage converter

#SD-648W-12V MSRP \$1,927
#SD-648B-24V MSRP \$1,987

**SecuMaster "Casino" Outdoor 7"
Wall Mount Mount 12VDC Speed Dome**

- * Sony FCB-EX980 Zoom Module
- * 312x (26x Optical, 12x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * AutoScan and AutoTour
- * Upgradeable Firmware Chips
- * Optional, 24 VAC to 12VDC voltage converter

#SD-698W-12V MSRP \$2,113
#SD-698W-24V MSRP \$2,173

**SecuMaster "Standard" Outdoor 7"
24 VAC Low Speed Dome**

- * Sony SuperHAD CCD
- * 270x (27x Optical, 10x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * Auto-Scan and Auto-Tour
- * Upgradeable Firmware Chips
- * 100 Dg/Second scan speed

#SA-271W-24V MSRP \$1,295

**SecuMaster "Deluxe" Outdoor 7"
24 VAC High Speed Dome**

- * Sony SuperHAD CCD
- * 270x (27x Optical, 10x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * Auto-Scan and Auto-Tour
- * Upgradeable Firmware Chips
- * 240 Dg/Second scan speed

#SA-276W-24V MSRP \$1,482

**SecuMaster "Casino" Outdoor 7"
24 VAC High Speed Dome**

- * Sony FCB-EX480 Zoom Module
- * 216x (18x Optical, 12x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * Auto-Scan and Auto-Tour
- * Upgradeable Firmware Chips
- * 240 Dg/Second scan speed

#SA-480EX-24V MSRP \$1,816

**SecuMaster "Casino" Outdoor 7"
24 VAC High Speed Dome**

- * Sony FCB-EX980 Zoom Module
- * 312x (26x Optical, 12x Digital)
- * Day & Night with true IR Cut Filter
- * Pelco Compatible Protocol
- * Auto-Scan and Auto-Tour
- * Upgradeable Firmware Chips
- * 240 Dg/Second scan speed

#SA-980EX-24V MSRP \$1,983

- SecuMaster 12 VDC Speed
Dome Joystick Controller**
- * Pelco P or D Compatible
 - * RS-485 output
 - * High quality key pad
 - * Precision joystick movement

#SD-03 MSRP \$526

- SecuMaster Deluxe 12 VDC Joystick
Controller**
- * Pelco P or D Compatible
 - * High quality key pad
 - * Precision Joystick movement
 - * Control Zoom by twisting Joystick

#SD-03TW MSRP \$823

- SecuMaster 24 VAC
Joystick Controller**
- * Pelco P or D Compatible
 - * High quality key pad
 - * Precision Joystick movement

#KC-02 MSRP \$526

- SecuMaster Deluxe 24 VAC Speed
Dome Joystick Controller**
- * Pelco P or D Compatible
 - * High quality key pad
 - * Precision Joystick movement
 - * Control Zoom by twisting Joystick

#KC-03 MSRP \$823

Digital DVR Systems

**SecuMaster Linux Based
Mobile 4 CH DVR**

- * 12VDC Battery operated
(Car, Boat, or Plane)
- * 120FPS Real Time
- * Vibration and Shock Resistant
- * Front Panel Compact Flash
- * 4 channel Video 2 Audio
- * VGA and BNC Outputs
- * Remote Access
- * Removable Hard Drive

#SM-401MB MSRP \$770

**SecuMaster 4 Channel
Transit DVR**

- * 12VDC or 24VAC power
- * 120FPS Real Time
- * Linux Operating System
- * 704 x 576 display resolution
- * Mpeg4 Compression
- * Supports GPS tracking, WIFI,
CDMA, or GPRS

#SM-404VP MSRP \$1,579

**SecuMaster 4 Channel "Standard"
Linux 120 FPS Real Time DVR**

- * Full D1 Display Resolution
- * Supports an external USB Harddrive
- * Supports an optional Built-in
DVD+RW drive
- * Uses Mpeg4 Hardware Compression
- * Supports TCP/IP protocol
- * Features Loop-Through video I/O
Technology

#DV-400D1 MSRP \$1,645
#DV-400D1-DVD MSRP \$1,772

**SecuMaster 9 Channel Linux
240 FPS Real Time DVR**

- * Full D1 Display Resolution
- * Supports an external USB Harddrive
- * Supports an optional Built-in
DVD+RW drive
- * Uses Mpeg4 Hardware Compression
- * Supports TCP/IP protocol
- * Features Loop-Through video I/O
Technology

#DV-900D1 MSRP \$2,451
#DV-900D1-DVD MSRP \$2,584

**SecuMaster 16 Channel Linux
480 FPS Real Time DVR**

- * Full D1 Display Resolution
- * Supports an external USB Harddrive.
- * Supports an optional Built-in
DVD+RW drive
- * Uses Mpeg4 Hardware Compression
- * Supports TCP/IP protocol
- * Features Loop-Through video I/O
Technology

#DV-1600D1 MSRP \$3,432
#DV-1600D1-DVD MSRP \$3,571

**SecuMaster RTOS "Professional"
Real Time DVR**

- * Hi-Resolution 704x576 Display
- * Up to 8 Hard Drives Capacity
- * 30 FPS per channel Real Time
Display and recording
- * Motorola RTOS O/S
- * Front Panel USB
- * Mpeg4/Part 10 (H.264) Hardware
Compression
- * Supports TCP/IP Protocol
- * 4, 8, and 16 channel Video/Audio

#M4-400D1 MSRP \$1,696
#M4-800D1 MSRP \$2,664
#M4-1600D1 MSRP \$4,098

SecuMaster Professional Matrix Switch

Features an integrated switching system for video and PTZ control. Three different configurations, 8x2, 16x4, and 32x4. Each unit has "looping" video to connect a DVR to the switching system. These units can allocate up to 16 separate Keyboard/Joystick control points.

The Matrix Switch can also control multiple PTZ domes and alarm sensors. Almost all PTZ protocols are supported through the use of optional PTZ Protocol Decoders.

#MX-5032-4 MSRP \$1,896

New Products

SecuMaster IP Addressable PTZ Speed Dome

- * Sony SuperHAD CCD
- * 270x (27x Optical, 10x Digital)
- * Day & Night with true IR Cut Filter
- * IP Addressable
- * Net Client software capable of connecting up to 16 cameras simultaneously
- * Optional, 24 VAC to 12VDC voltage converter

#M4-PTZ-12V MSRP \$2,277
#M4-PTZ-24V MSRP \$2,337

Smoke Detector Hidden Camera

A working Smoke Detector with a color hidden camera.

SD-R35-12V MSRP \$133
SD-R35-24V MSRP \$163

Motion Detector Hidden Camera

A working Motion Detection device with a color, hidden camera.

CH-21C-12V MSRP \$133
CH-21C-24V MSRP \$163

SecuMaster Integrated Day & Night Zoom Camera

- * 200x Integrated Zoom
- * Sony SuperHAD CCD
- * Pelco D Compatible, RS-485 Protocol
- * User definable OSD (On Screen Display)
- * Optional, 24 VAC to 12VDC voltage converter

#CZ-20-12V MSRP \$502
#CZ-20-24V MSRP \$562

SecuMaster Day and Night High Resolution Dome Camera

- * 3.5-8mm Varifocal lens
- * Auto Iris, Auto Focus
- * Sony SuperHAD CCD, 480 TVL
- * Auto-Sensing power, 12VDC, 24VAC
- * Black or White housing

CD-45VA MSRP \$308

SecuMaster Video and RS-485 Surge Protection

- * Economical, effective solution to protect Video and Data (RS-485) devices from power surges
- * Attack time, 100ms
- * Maximum surge current, 5000 Amps

#SP-31 MSRP \$69

SecuMaster RS-485 Surge Protection

- * Economical, effective solution to protect all RS-485 slave devices from power surges
- * Attack time, 100ms
- * Maximum surge current, 5000 Amps

#SP-485 MSRP \$41

SecuMaster PC Based Serial Port Adaptor

- * RS232 to RS485
- * Passive, no power required
- * Effective Range, 500M

#H-485 MSRP \$50

SecuMaster 4 Channel, High Performance Balun Transmitter

- * Superior circuitry for better quality images
- * Use a Cat5 cable up to 400 Meters in full color
- * 4 BNC to RJ45 Plug
- * Passive, balanced mode transmitter with high quality noise filter

#W104VH MSRP \$98

SecuMaster Four Channel Active Receiver

- * Superior circuitry for better quality images
- * Use a Cat5 cable up to 400 Meters in full color
- * BNC to RJ45 or two-wire terminals

#W104RA MSRP \$117

SecuMaster Balanced Mode Balun Transmitter

- * Superior circuitry for better quality images
- * Passive device to be used with an active receiver
- * Transmits full color up to 400 meters

#W100VH MSRP \$30

SecuMaster Single Channel Active Receiver Balun

- * Superior circuitry for better quality images
- * Use a Cat5 cable up to 400 Meters in full color
- * BNC to two-wire terminal

#W100RA MSRP \$84

Active Signal

SecuMaster RS-485 Data repeater and decoder. Increases the distance you can send an RS-485 signal. It also allows multiple controllers (or other devices) to be connected to the RS-485 system.

ET8103 MSRP \$116
